WELCOME TO THE 2023 LYNLAKE STREET ART SERIES

From its bold beginning in 2018, the Lynlake Street Art Series has hosted over 150 artists to paint dozens of walls, bringing vibrancy and interest to Lynlake's streets, alleys and "spaces between the places." The show uplifts artists of all ages, promotes the corridor's small businesses and welcomes the community for free, outdoor music, activities and art.

In 2023, we are returning to its graffiti roots for its 6th year, welcoming 60+ artists and highlighting significant contributors to Twin Cities' Art History with a special "crew" wall (with a dozen artists working in tandem), and a gallery exhibition!

NEED HELP?

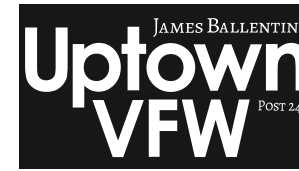

Find one of our LLSAS volunteers in a blue and pink Art Series t-shirt during festival hours: 11:00am-8:00pm Sat/Sun.
